Bling it on What makes a millennial spend more?

Reaching tomorrow's premium consumers In early 2017, we commissioned a research study of millennial consumers in four key markets - the US, UK, Italy and China (representing a balance of the world's largest markets for premium and luxury goods in the US and China, and two of the world's largest producers of these goods, in the UK and

Mindfulness Workbook for OCD - OCD Center of Los Angeles

The Mindfulness Workbook for OCD 154 • What if I would be a better match with someone else? • What if I can't stop thinking about things that trigger me about my partner (for example, a physical attribute, the person's sexual past, philosophical differences)? • What if I am not as attracted to my partner as I should be? What types of thoughts and feelings does your ROCD present you with?
